Dear Cutting Edge Construction:

I want to thank you for the awesome job your company did in rebuilding my home due to inside flooding water damage. I was impressed by the detail and workmanship and the amount of sincere personalization you provided. Your company was always honest, courteous, professional and always communicated with me on any changes or details as well as returned my calls promptly.

I want you to know that I enjoyed having you as my contractor and highly recommend this company to anyone in need of flood restoration, fire restoration, renovation or just simply looking into upgrades with quality rebuilding services.

I was very happy, satisfied and impressed with all the work!

Thank You Julio

Sincerely,
